## TAILOR MADE OPTIONS

All events can be tailored to your individual requirements with the help of a dedicated host who will help you create a truly bespoke experience for your guests.

How about cocktails or champagne in your private area as your guests arrive? We have fully stocked bars with everything from bespoke cocktails to locally produced beers available.

Feeling peckish? We can arrange food for your guests from our burger menu in partnership with Marco Pierre White.

Let your guests play unlimited frames.

Alternatively let us organise a bowling or gaming tournament with some guests playing whilst others enjoy the food and drinks. Let us look after the boring stuff so all you need to do is decide on teams and prizes before the day then just turn up and enjoy yourself.
