

The background of the entire image is a black and white optical illusion pattern. It consists of a grid of interlocking chevrons (V-shapes) that create a 3D effect of a receding perspective, similar to the M.C. Escher 'Sky and Water I' pattern. The chevrons are arranged in a staggered grid, with black lines forming the outlines and white space filling the interior of the shapes.

# BALLERS ASSEMBLE

**Welcome to Lane7. Bowl, play, feast, and  
drink – lose yourself all night long.**

Founded in 2013 in our OG Newcastle venue, Lane7 is home to  
all your best nights out in one. When we say we've got it all,  
we're not being cocky – we really do.

From bowling like you've never seen before, karaoke pods to  
sing your heart out in, old skool arcades for that nostalgia  
boost and beer pong if you want your nights to get messy, to  
the more obscure games like floor shuffle, curling and  
augmented darts, what more could you possibly want?

We get around too. You're reading this in one of our venues,  
but we're also based ALL across the country, so you're never  
too far from your Lane7 fix.
